

When it comes to bullies...

Sometimes you might ask:

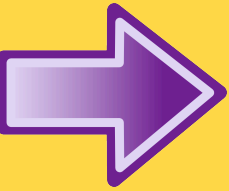

What's the

RIGHT

thing to do?

ed-ucation.ca

THINK! Are you safe? If you feel like you are in danger leave immediately! Go tell an adult you trust, right away!

THINK! Is this behavior repeated? Is this just annoying or really bully behavior.

ASK!

Does the person call you names?

Does the person spread rumors about you?

Does the person not let you play with toys, or work on equipment?

Does the person tell others that they shouldn't talk with you?

Does the person threaten you?

Do you feel unsafe around the person?

ACT! Do the RIGHT thing!

When it comes to bullies...

What's the

Respond with sharing how their actions make you feel.

Instruct, clearly and firmly, that the person STOP.

Get away from the situation and reflect on how you can solve the problem.

Have a conversation with the bully. Focus on a solution to the problem.

Talk to an adult you trust, if the problem persists.

thing to do?
